

**#1 Device For  
Water Conservation**

# Welcome to URIMAT.

**Every drop counts.**

 **URIMAT**®  
*swiss quality – since 1998*

URIMAT is a leading manufacturer of environmentally friendly products in the sanitary ware industry.

## The Original.

The waterless urinals from the market leader at a glance!

Model	URIMAT eco	URIMAT ecoplus	URIMAT ecovideo	URIMAT compact video	URIMAT ceramic compact
Article code	15.001	16.001	16.971	14.971	12.301
Color	white	white	white	white	white
Weight	4,2 kg	4,4 kg	5,5 kg	4,5 kg	12,5 kg
Special feature		passive advertising display	with LCD video display	with LCD video display	

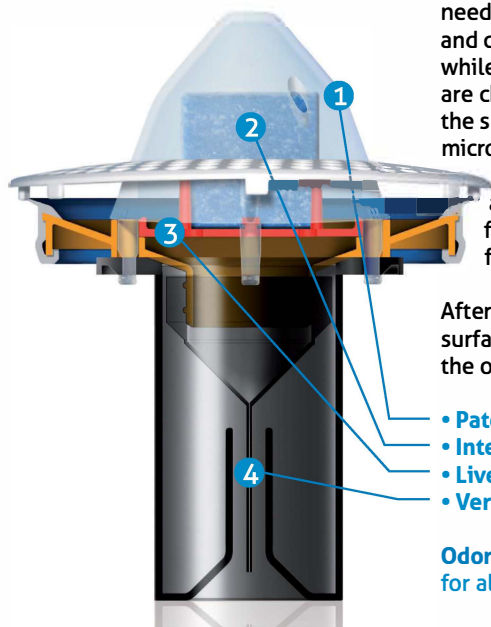

### MB ActiveTrap

Sophisticated technology for the most basic of needs. The Urimat MB ActiveTrap collects the urine and channels it into the waste pipe without flushing, while at the same time sealing in any odors. Fluids are channeled via a vertical membrane straight into the sewage system. Above the membrane there is a microbiological cleaning block which prevents build up of deposits both inside the odor seal unit and in the waste pipe. As soon as fluids stop flowing through the membrane, it automatically forms an air-tight seal.

After the MB-ActiveCube has dissolved, the red surface beneath the transparent cover signals that the odor trap has to be replaced.

- Patented adjustable three-way control
- Integrated MB-ActiveCube
- Lifecycle indicator
- Vertically sealing membrane system

**Odor trap**  
for all URIMAT plastic and ceramic bowls

URIMAT is a leading producer of environmentally friendly products in the sanitary ware industry

## Ultimately only hard facts count!

Arguments that have persuaded even URIMAT's most demanding customers:

- Annual savings of at least 100,000 litres of drinking water per urinal per year
- No Water consumption
- No urine scale build-up
- No chemicals
- CO2 reduction (at least 175g per m3 water)
- No odour
- No flushing systems necessary
- CO2-neutral manufacturing
- Worldwide patented system and design
- Microbiological cleaning system
- Income generation through advertising opportunities
- Durable materials
- All-round service with our own staff
- Successful since 1998
- Swiss quality
